

the more. If people choose to call infamy sin the controversy comes simply to a definition of terms. If a lapse of memory, a mistake in judgment, a surprise or a liberation of feeling is sin, I do not contend that we are saved from there, but I do not gather from the law of Christ that any such things are accounted sins, either do

to transact with God, to use Him for sinners, however much we have been corrupted, and almost uncleanly the work of a priest or officer, to deal with God for half of sinful man. It has been a man who preaches must pray, by experience how empty is our praying unless we have need

Lord, he came out bright and clear, and died a most triumphant death. Call his parents, brother, and sisters to him, shook hands with each, bade a last goodbye, and asked them to meet him heaven. He said, "I am ready, I do, I do love Jesus." And to-day Wharbling stands among the blood-washed throng, redeemed and washed. He dw
